Alessandro Ricci's Publications

I have both authored and edited a number of scientific publications. Some of them are listed below. Some are already organised according to a preliminary structure:

- **All published articles** ordered by year
- **All unpublished articles** ordered by status
- Articles not yet published: Draft, Submitted, Accepted, Accepted with revision, Revised, Camera-ready sent, Proof, In press
- **All edited volumes** ordered by year

My publications in the APICe space are indexed per

- Co-Authors
- Co-Editors
- Journal & Series
